THE WINE LIST

Our extensive, primarily Victorian small producer, wine list, is curated with a focus on wines that reflect a sense of place & with producers who, where possible, use minimal intervention, bi-dynamic, sustainable and organic practises.

Alongside some easy drinking wines, we've got some funky & wild wines. Our selection is in constant evolution, experimenting with a variety of styles & winemakers of the more playful to the more classical, forever balancing the 'interesting' with the 'slurpable'.

We are proud to offer a selection of special release wines and last bottle runs from some incredible winemakers for those looking for a bit 'extra'. You will find these wines at the beginning of our list.

An unashamed emphasis on wines we love to drink ourselves.

LARGE FORMAT (1.5L)

'23 Scion Durif Rosé	Rutherglen, VIC	110
----------------------	-----------------	-----

Made from early-season, handpicked Durif. Wild fermented. Dry, delicate, savoury

'19 Campbells Wines 'Bobbie Burns' Shiraz	Rutherglen, VIC	120
---	-----------------	-----

The favourable 2017/18 growing season produced a Bobbie Burns Shiraz with incredible depth and concentration of fruit flavours. After fermentation on skins for seven to ten days using closed fermenters, the wine was subsequently aged for a period of 18 months in a mixture of new to three-year-old premium French and American barrels. This wine is full bodied with powerful characters of dark berries and ripe plum fruit, beautifully balanced with layers of fine, dry tannin and complementary notes of liquorice, ironstone and spice.

SPECIAL WINES | LAST BOTTLES

SPARKLING

'20 Bellebonne Vintage Cuvée	Pipers River, TAS	110
------------------------------	-------------------	-----

Pure Tasmanian- 60% Chardonnay, 40% Pinot Noir. Palest gold. Complex and inviting aromas of strawberries and cream, lightly toasted hazelnuts, ginger spice and honeysuckle. It surrounds the palate with full, ripe fruit, the flavours gaining confidence with each sip.

NV Taittinger Brut Prestige	Remis, FRANCE	130
-----------------------------	---------------	-----

Aromas of fruit + brioche with fragrance of peach + vanilla pod. Lively, fresh + in total harmony.

NV Louis Roederer 'Collection 245' Brut C champagne	Remis, FRANCE	150
---	---------------	-----

Stimulating pear, citrus + yeast lees flavours decorate the mouth with some baked bread + faint cashew in the background.

WHITES

'21 Yarra Yering Carrodus Chardonnay	Yarra Valley, VIC	190
--------------------------------------	-------------------	-----

The Carrodus Chardonnay comes from an impressive but small planting of the Burgundy import clone 95, selected by R. Bernard in 1986, it arrived in Australia in 1988. It is highly regarded for producing wines with a fine elegant style. Hand harvested, the fruit was chilled overnight and whole bunch pressed with the juice run directly to barrel, oxidatively handled, no additions except being inoculated with a selected yeast. The strain chosen for its expression of fruit purity. Fermentation and maturation for 10 months in four barriques, 50% new oak, all French.

'23 Sorrenberg Sauvignon Blanc Semillon	Beechworth, VIC	110
---	-----------------	-----

Owner/vigneron Barry Morey makes this in a traditional way, utilising a small amount of skin contact, 100%-barrel ferment and extended ageing on lees to give extra dimensions to this classic white coupling. Considered one of the touchstones for quality for Australian Sauvignon Blanc Semillon blends. 80% Sauvignon Blanc, 20% Semillon. Citrus zest + kiwifruit with crisp acidity + minerality. Full palate style.

'17 Brash Higgins 'BLOOM'	McLaren Vale, SA	205
---------------------------	------------------	-----

The 2017 BLOOM is a slowly aged Chardonnay made in a style inspired by the "sous voile", or "under-the-veil", oxidative methods found in France's Jura and Burgundy region. Chardonnay from the sandy Blewitt Springs sub-region has been matured for seven years in selected white Burgundy barrels (7), periodically adding some fresh white wine to feed the 'flor' (flower) or (veil) growing as a natural, healthy protective barrier of yeast on the wine's surface. No topping was done during this final ageing period. The wine is aged in a steel tank for an additional 6 months in a cold cellar before bottling in winter.

'08 Darling Estate Riesling	King Valley, VIC	105
-----------------------------	------------------	-----

The buttery notes are rich, fat and warm. With ageing also comes softening of acidity, with the mouthfeel becoming more luscious, silky and balanced. The mid palate length of flavour is incredibly generous, filling the palate with delightful mixed citrus and a wonderful back palate toastiness. There is also the expected pronounced kerosine characters. This a cracker wine and has developed into a bit of a gem

REDS

'21 Yarra Yering Agincourt Cabernet Malbec

Yarra Valley, VIC

145

Fruit was sourced from the Agincourt block of Cabernet Sauvignon planted in 1995 and Malbec planted in 1990. The Agincourt block is one of the more sheltered blocks and the Cabernet clone is highly aromatic and lifted. Hand harvested, the Cabernet is berry sorted and the Malbec is bunch sorted. The Cabernet is destemmed, berry sorted and then crushed into the half-tonne open fermenters. A small amount of Cabernet (5%) was whole bunch fermented to bring extra lift and perfume to the wine. Malbec is destemmed to the small fermenters and hand plunged twice daily. Maturation in French Bordeaux shaped barrels; only 15% new oak to enhance the juicy fruit palate and immediate enjoyment. Blending immediately before bottling. Cabernet Sauvignon 80%, Malbec 20%.

'21 Joshua Cooper Wines 'Balgownie Old Vines' Cabernet

Bendigo, VIC

115

Deep, dark garnet. A wine which immediately makes one sit up and focus. Incredibly refined and complex with iron, sweet cassis, cedar spice, violet and rose, air reveals infinite nuance and detail. The palate is flooded with wave upon wave of Cabernet fruit, braced by a strict but not overbearing tannic structure, finishing with sweet violet and cassis.

'24 Sorrenberg Gamay

Beechworth, VIC

115

The style of Gamay is produced using a combination of traditional Gamay techniques. There is 10% Pinot Noir used in the blend. Half of the Gamay was cold macerated where the fruit is picked cold, crushed and left to soak for 4 days before fermentation starts. Of the rest, 20% of the fruit is left whole in the ferment. Fermentation with natural yeast is for 2 weeks on skins, after which the wine is pressed and matured in oak for eleven months.

The bouquet of the 2024 Gamay shows cherry and plum with some earthy undertones. The aromas follow onto the palate combining with integrated acid and refined tannins which create a very well-balanced wine, finishing with great length.

'23 Eastern Peak 'Intrinsic' Pinot Noir

Coghills Creek, VIC

130

Intrinsic Pinot Noir, the pulse of Eastern Peak! It's a single vineyard wine produce year on year. All original MV6 clone grown on well looked after Volcanic grey loam soils over weathered basalt sitting at 430m alt, thoughtfully farmed with strict organic practices & a mix of regenerative agriculture inputs such as rotating cover crops to help with keeping our soils in such pristine condition, flowering was very good considering how extreme the weather was during season 2023.

Blocks harvested from the 7th - 13rd of April, all destemmed into 3000L concrete fermenters, spontaneous fermentation via indigenous yeasts, pump overs once a day, vats are all basket pressed individually, blocks kept separate & transferred into 228L barriques of various French coopers (30% new), topped monthly, sulphur added post malo in November, racked from barrels in late march 2024 to stainless tank where its left to enjoy another full winter to gain complexity & naturally settle prior to bottling, no fining or filtering.

This wine is drinking exceptionally well right now
