## THE WINE LIST

Our extensive, primarily Victorian small producer, wine list, is curated with a focus on wines that reflect a sense of place & with producers who, where possible, use minimal intervention, bi-dynamic, sustainable and organic practises.

Alongside some easy drinking wines, we've got some funky & wild wines. Our selection is in constant evolution, experimenting with a variety of styles & winemakers of the more playful to the more classical, forever balancing the 'interesting' with the 'slurpable'.

We are proud to also offer a selection of special release wines and last bottle runs from some incredible winemakers for those looking for a bit 'extra'. You will find these wines at the beginning of our list.

An unashamed emphasis on wines we love to drink ourselves.

---

## LARGE FORMAT (1.5L)

---

'23 Scion Durif Rosé Made from early-season, handpicked Durif. Wild fermented. Dry, delicate, savoury	Rutherglen, VIC	120
'18 Campbells Wines 'Bobbie Burns' Shiraz The favourable 2017 growing season produced a Bobbie Burns Shiraz with incredible depth and concentration of fruit flavours. After fermentation on skins for seven to ten days using closed fermenters, the wine was subsequently aged for a period of 18 months in a mixture of new to three-year-old premium French and American barrels. This wine is full bodied with powerful characters of dark berries and ripe plum fruit, beautifully balanced with layers of fine, dry tannin and complementary notes of liquorice, ironstone and spice.	Rutherglen, VIC	150
NV Taittinger Brut Prestige Aromas of fruit + brioche with fragrance of peach + vanilla pod. Lively, fresh + in total harmony.	Reims, France	280

---

## SPECIAL WINES | LAST BOTTLES

---

### SPARKLING

'20 Bellebonne Vintage Cuvée Pure Tasmanian- 60% Chardonnay, 40% Pinot Noir. Palest gold. Complex and inviting aromas of strawberries and cream, lightly toasted hazelnuts, ginger spice and honeysuckle. It surrounds the palate with full, ripe fruit, the flavours gaining confidence with each sip. 28 in stock	Pipers River, TAS	130
---	-------------------	-----

### WHITES

'21 Yarra Yering Carroodus Chardonnay The Carroodus Chardonnay comes from an impressive but small planting of the Burgundy import clone 95, selected by R. Bernard in 1986, it arrived in Australia in 1988. It is highly regarded for producing wines with a fine elegant style. Hand harvested, the fruit was chilled overnight and whole bunch pressed with the juice run directly to barrel, oxidatively handled, no additions except being inoculated with a selected yeast. The strain chosen for its expression of fruit purity. Fermentation and maturation for 10 months in four barriques, 50% new oak, all French.	Yarra Valley, VIC	285
'17 Brash Higgins 'BLOOM' The 2017 BLOOM is a slowly aged Chardonnay made in a style inspired by the "sous voile", or "under-the-veil", oxidative methods found in France's Jura and Burgundy region. Chardonnay from the sandy Blewitt Springs sub-region has been matured for seven years in selected white Burgundy barrels (7), periodically adding some fresh white wine to feed the 'flor' (flower) or (veil) growing as a natural, healthy protective barrier of yeast on the wine's surface. No topping was done during this final ageing period. The wine is aged in a steel tank for an additional 6 months in a cold cellar before bottling in winter.	McLaren Vale, SA	290
'22 BINDI Wines Quartz Chardonnay This classically complex Quartz spent 10 months on yeast lees in French barrels, of which 25% were new, and was bottled in late February. It is layered, poised and vibrant. There are aromas of stone fruits complemented by spice, nuts, wet stones and flowers. The palate is fresh and mouth filling with excellent texture, balance and drive.	Gisborne, VIC	230
'08 Darling Estate Riesling The buttery notes are rich, fat and warm. With ageing also comes softening of acidity, with the mouthfeel becoming more luscious, silky and balanced. The mid palate length of flavour is incredibly generous, filling the palate with delightful mixed citrus and a wonderful back palate toastiness. There is also the expected pronounced kerosine characters. This a cracker wine and has developed into a bit of a gem	King Valley, VIC	130

## REDS

### '22 BINDI Wines 'Kaye' Pinot Noir Gisborne, VIC 230

This is a very sentimental wine from the most elevated vineyard, planted in 2001, that pays tribute to Michael's mother, Kaye. The site has a lot of quartz and mudstone, a smattering of volcanic soils that have eroded down from the volcanic plateau above, and produces a wine of fragrance, structure and complexity. The 2022 Kaye is typically fragrant for this site with seductive rose and earth. There are also wild red fruit aromas. The palate is juicy, creamy of fruit, chewy of tannin and mouth filling. The finish is balanced, structured and long.

### '22 BINDI Wines 'Original Vineyard' Pinot Noir Gisborne, VIC 230

The 2022 Original Vineyard spent 15 months in French barrels (one third new) and was bottled in mid-July. This wine comes from the 1988 planting. The 2022 is super pure in red cherry, raspberry and ripe strawberry aromas. It is typically floral and gently spicy, a little savoury and very seductive. The palate is fresh, creamy, savoury, has fine tannins driving the supple and smooth fruit and flows beautifully long. It is very delicious.

### '21 Yarra Yering Agincourt Cabernet Malbec Yarra Valley, VIC 199

Fruit was sourced from the Agincourt block of Cabernet Sauvignon planted in 1995 and Malbec planted in 1990. The Agincourt block is one of the more sheltered blocks and the Cabernet clone is highly aromatic and lifted.

Hand harvested, the Cabernet is berry sorted and the Malbec is bunch sorted. The Cabernet is destemmed, berry sorted and then crushed into the half-tonne open fermenters. A small amount of Cabernet (5%) was whole bunch fermented to bring extra lift and perfume to the wine. Malbec is destemmed to the small fermenters and hand plunged twice daily. Maturation in French Bordeaux shaped barrels; only 15% new oak to enhance the juicy fruit palate and immediate enjoyment. Blending immediately before bottling. Cabernet Sauvignon 80%, Malbec 20%.

### '23 Sorrenberg Gamay Beechworth, VIC 130

The style of Gamay is produced using a combination of traditional Gamay techniques. There is 10% Pinot Noir used in the blend. Half of the Gamay was cold macerated where the fruit is picked cold, crushed and left to soak for 4 days before fermentation starts. Of the rest, 20% of the fruit is left whole in the ferment. Fermentation with natural yeast is for 2 weeks on skins, after which the wine is pressed and matured in oak for eleven months.

The nose of the 2023 Gamay displays dark spiced cherries with red currant and cranberry notes. The fruit aromas follow onto the palate combining with earthy tannins and balanced acid creating a well-rounded wine, finishing with good length

### '18 A.Rodda Wines 'Tête de Cuvée' Cabernets Beechworth, VIC 130

Sourced from the Smith's Vineyard in Beechworth, fruit was selected from the top 10 rows of the North-East facing Cabernet Sauvignon block and the small, low yielding Merlot block. In the best growing seasons, the resulting blend is elevated to the Tête de Cuvée release. Hand-picked fruit was destemmed and crushed prior to fermentation whereby a combination of pump-overs, rack and returns and plunging was utilized for cap management. Post-fermentation, the Cabernet Sauvignon was held on skins for a further 18 days. The wines were pressed to French oak barriques consisting of 50% first use and 50% second use. After 12 months, the wines were racked to old 600 litre thick stave oak casks for a further 8 months prior to bottling. The 2018 Tête de Cuvée consists of Cabernet Sauvignon (74%), Merlot (24%) and Petit Verdot (2%).

### '21 Joshua Cooper Wines 'Shay's Flat' Cabernet Sauvignon Pyrenees, VIC 110

The source is the Shay's Flat vineyard in Landsborough in the Pyrenees. It spent 12 months in barrel before a further 4 months in tank to tighten it all up. It's on the darker side of Cabernet, with cassis, chocolate and olive notes and some cedar and spice flowing through the palate, which is fine and detailed and not overbearing at all. A wonderful Cabernet with energy, personality and drive.

### '21 Joshua Cooper Wines 'Balgownie Old Vines' Cabernet Bendigo, VIC 170

Deep, dark garnet. A wine which immediately makes one sit up and focus. Incredibly refined and complex with iron, sweet cassis, cedar spice, violet and rose, air reveals infinite nuance and detail. The palate is flooded with wave upon wave of Cabernet fruit, braced by a strict but not overbearing tannic structure, finishing with sweet violet and cassis.

### '17 BINDI Wines 'DHILLON' Col Mountain Shiraz Heathcote, VIC 165

The 2017 Col Mountain is based on the smooth and aromatic Shiraz clones PT23 and 1654 with a little of the robust and rich Yalumba and R6WV28. The Col Mountain wines, from deep red soil with a significant amount of shattered rock, are earthier and more structured than our traditional more northern source of Shiraz, Colbinabbin Estate, which has previously made up all, and now roughly 50%, of the Pyrette label. This fruit and earth wine is medium weight, spicy and has black cherry and plum aromas. It has lovely intensity through the mid and back palate. It is not heavy in any way, but rather smooth and intense, gently chewy and long.

PÉTILLANT NATUREL (PÉT-NAT)

'22 Lethbridge Estate Méthode Ancestrale Pét-Nat Strawberry, white peach and orchard fruit, with some sandy grip to keep you coming back for more.	Geelong, VIC	65
'22 Unico Zelo 'Sea Foam' Pét-Nat Ocean spray. a walk on the beach at sunset. A bag of sherbet and a pink lemonade from the kiosk.	Riverland, OSA	65
