THE WINE LIST

Our extensive, primarily Victorian small producer, wine list, is curated with a focus on wines that reflect a sense of place & with producers who, where possible, use minimal intervention, bi-dynamic, sustainable and organic practises.

Alongside some easy drinking wines, we've got some funky & wild wines. Our selection is in constant evolution, experimenting with a variety of styles & winemakers of the more playful to the more classical, forever balancing the 'interesting' with the 'slurpable'.

We are proud to offer a selection of special release wines and last bottle runs from some incredible winemakers for those looking for a bit 'extra'. You will find these wines at the beginning of our list.

An unashamed emphasis on wines we love to drink ourselves.

'22 Lethbridge Pinot Noir (375ml)

Geelong, VIC

45

Bursting with juicy red berry flavours, think ripe cherries and strawberries, and has a lovely smooth texture. You'll also catch a hint of spice and earthiness, adding complexity without being overpowering. The 2022 vintage is wonderfully expressive, boasting aromas of bright red fruits, subtle spice, and a touch of forest floor. On the palate, this wine is elegant and well-balanced with a silky-smooth finish.

'21 Campbells Wines 'Bobbie Burns' Shiraz (1.5L)

Rutherglen, VIC

120

The favourable 2020/21 growing season produced a Bobbie Burns Shiraz with incredible depth and concentration of fruit flavours. After fermentation on skins for seven to ten days using closed fermenters, the wine was subsequently aged for a period of 18 months in a mixture of new to three-year-old premium French and American barrels. This wine is full bodied with powerful characters of dark berries and ripe plum fruit, beautifully balanced with layers of fine, dry tannin and complementary notes of liquorice, ironstone and spice.

Stimulating pear, citrus + yeast lees flavours decorate the mouth with some baked bread + faint cashew in the background.

WHITES

'24 Yarra Yering Chardonnay

Yarra Valley, VIC

190

Oyster shells, sea spray, and lemon citrus fruits on the nose. Finesse meets a pillowy fruit weight on the palate; fine-boned, precise citrus line in its youth, a green apple crunch for freshness, pithy interest, and a pulsating energy, it has power and extraordinary carry. The fruit is supported by a lovely powdery-chalky texture that lingers, with bright acidity giving a delicious, moreish edge.

"Light, bright yellow colour with fresh green-apple, oatmeal and nashi pear aromas, fruit driving the bouquet, the palate intense and focused, concentrated and long, with subtlety, delicacy and yet also restrained power, and bright acidity. Some toasty nut flavours join in the party with time in the glass. A very smart chardonnay with a lot of class." The Real Review

'22 Savaterre Chardonnay ✧

Beechworth, VIC

170

"I do not know where to start with this wine. It is such a complete and complex tapestry of aromas, flavours and texture.

It's the rare combination of power and amplitude combined with elegance, freshness, precision and tension.

The aroma distracts you from your everyday thoughts. It grabs you and keeps your attention. A subtle flint framing ethereal aromas of ripe grapefruit, curry leaf, preserved lemon, ginger, stone fruit, allspice and fennel.

Once tasted I am transported. This is a wine that takes you on a journey of power balanced with finesse, complexity and extraordinary length.

Constantly evolving and changing. Beautifully defined by its markedly tensing acidity and length.

Prodigious from the word go". Keppell Smith

'24 Savaterre Chardonnay

Beechworth, VIC

150

2024 was an exceptional vintage for the Savaterre chardonnay. Long warm days and cool nights allowed slower ripening. This perfect ripeness was also aided by the small crop per vine combined with a mature, close planted vineyard. These are the years for finesse and precision. It is a serious, cerebral wine of great focus and precision. A harmonious amalgam of aromas, flavour, intensity and, length.

"Bright medium-light yellow colour; aromas of matchstick/gunflint reduction overlying grapefruit/citrus and biscuit nuances. In the mouth, very intense flavours of tightly focused but generously proportioned citrus/grapefruit and smoked charcuterie - impressively deep and very long lasting. A great chardonnay of terrific refinement and formidable power". Huon Hook

'25 Sorrenberg Sauvignon Blanc Semillon

Beechworth, VIC

110

This wine comprises 75% Sauvignon Blanc, 20% Semillon and 5% Sauvignon Gris. Most of the Sauvignon Blanc fruit had 4 hours skin contact prior to pressing. The Semillon component is crushed and pressed immediately after picking. This wine was 100% barrel fermented with predominantly larger barrels used. All went through natural yeast fermentation and malolactic fermentation. The extended lees contact helps fill out the middle palate and gives this wine the extra dimension it is known for. The nose of the 2025 Sauvignon Blanc/ Semillon shows citrus and stonefruit overtones with a hint of herbaceousness. This follows through to the palate combining with balanced texture and refined acidity, creating length and definition with a lingering finish.

'08 Darling Estate Riesling ✧

King Valley, VIC

105

The buttery notes are rich, fat and warm. With ageing also comes softening of acidity, with the mouthfeel becoming more luscious, silky and balanced. The mid palate length of flavour is incredibly generous, filling the palate with delightful mixed citrus and a wonderful back palate toastiness. There is also the expected pronounced kerosine characters. This a cracker wine and has developed into a bit of a gem

REDS

'23 Yarra Yering Dry Red No. 1

Yarra Valley, VIC

245

Crowned Blend of the Year 2026 and awarded 99 points by Halliday Wine Companion.

58% Cabernet Sauvignon, 22% Merlot, 15% Malbec, 5% Petit Verdot

A melange of summer berry fruits and a comforting rustic iodine feel complement some bay leaf lift. Warming clove spice, a hint of graphite and some oak char bring both flavour and tannin. Beautiful fruit weight, refreshing acidity and fine tannins form a solid foundation for a long future. Complex and layered, but not intimidating, always exciting to watch evolve.

"This is a wine built on the strength of its foundation - Cabernet Sauvignon from the very first plantings in 1969 - blended with Merlot, Malbec and a splash of Petit Verdot from neighbouring blocks. Every parcel is treated with reverence: whole berry ferments for fragrance, open-top fermenters for texture, a mix of new and seasoned oak, and one third of the Cabernet gets the royal treatment with eight weeks on skins in a 3,500L oak cask. This is a glorious wine. A wine of depth and quiet power. Dark fruit, fine tannins, just enough grip, and a savoury undercurrent that builds with every sip. It's polished, but not flashy - in every sense a benchmark of the famous Yarra Valley Cabernet wine style. It's a wine destined for great things. Winemaker Sarah Crowe knocked this out of the park".

'24 Yarra Yering Dry Red No. 3

Yarra Valley, VIC

170

46% Touriga Nacional, 23% Tinta Cão, 15% Tinta Roriz, 7% Tinta Amarela, 5% Alvarelhão, 4% Sousão

A highly floral and complex bouquet. Lavender, satsuma plum, and balsamic. Mixed summer berry freshness and black plum fruit weight. The licorice spice of Touriga Nacional and the bright, fragrant blue fruit energy of Tinta Cão. Tinta Roriz adds savoury depth, complementing Tinta Amarela's floral and bay leaf lift. the finesse of Alvarelhão and the acidity of Sousão tighten, brighten, and drive the long palate.

"Over a long period of time Yarra Yering Dry Red No. 3 has proven itself to be a masterstroke of both concept and execution. It's a dry red wine grown on one of the best sites in the Yarra Valley, using an assortment of Portuguese grape varieties. These are the last grapes harvested on the property each season. No new oak. It's a wine of delicacy and a wine of difference. It's also a wine that you want to guzzle, though it has the structure and associated quality markers to make you, also, want to cellar it. It tastes of a variety of berries, ripe and red but not necessarily sweet, with herb, woods, chicory and stem characters littered modestly throughout. It's also a perfumed wine. And a contemplative one. Indeed, it's not a wine to smack you in the face; you need to sit and let both you and it unfurl a bit." 95 points Campbell Mattinson

'25 Sorrenberg Gamay

Beechworth, VIC

115

The style of Gamay is produced using a combination of traditional Gamay techniques. There is 10% Pinot Noir used in the blend. Half of the Gamay was cold macerated where the fruit is picked cold, crushed and left to soak for 4 days before fermentation starts. Of the rest, 20% of the fruit is left whole in the ferment. Fermentation with natural yeast is for 2 weeks on skins, after which the wine is pressed and matured in oak for eleven months.

The bouquet of the 2024 Gamay shows cherry and plum with some earthy undertones. The aromas follow onto the palate combining with integrated acid and refined tannins which create a very well-balanced wine, finishing with great length.

'23 Traviarti Beechworth Nebbiolo

Beechworth, VIC

115

Semi translucent red to dark red core with black shaded edges and a light rusty red tinged hue. Spicy red currant and red liquorice aromas intermix with hints of tobacco, dried herbs and earth. Light, elegant and fresh on entry with red to dried cherry, morello cherry and earthy dried herb characters melding into a subtle tobacco and spice back drop. Vibrant acidity with slightly grainy tannins finishing refined and savoury.

'Layers of red cherry, blackberry and cranberry sit alongside savoury notes of alpine herbs, licorice, tar and earth. The structure is striking: a month of skin contact has given the wine a firm spine of tannin, but it's mouth-watering and balanced rather than austere'. 96 points Huon Hooke.

'24 Jasper Hill 'Georgia's Paddock' Shiraz

Heathcote, VIC

135

Georgia's Paddock contains twelve hectares of Shiraz resulting in an average yield of about three tonnes per hectare. Planted on its own roots in 1975/76 on basaltic rock from the Cambrian period at an altitude of 320 meters. The dry-grown vines here have to rely on natural rainfall only, producing fruit with the immense concentration that the winery is known for.

Magnificent depth of colour featuring a saturated inky black heart along with a near equally deep black dark red hue. Wafting through the nostrils with great authority are aromas of ripe blackberry, liquorice and dark plum followed by spicy vanillin cedar, fennel and peppered earth notes. Bold, rich and sumptuous, the sizeable palate manages to retain remarkable underlying freshness. Opulent blackberry, liquorice, dark plum and ripe blueberry fruits engage every corner of the mouth, showing outstanding concentration and drive. Spicy vanillin cedar, subtle scorched earth, fennel and pepper elements the undercard. Firmly built yet perfectly integrated tannin structure. Concludes exceptionally long and energetic with lashings of ripe fruit.

'22 Savaterre 'Reserve' Pinot Noir

Beechworth, VIC

170

"This is a delicious, juicy, fragrant wine. Lifted aroma of dewy rose petal, sour cherry, pomegranate, raspberry and ripe red berry fruits, exotic spices with a subtle gamey truffle finish. Pure, focused and precise with great length, texture and persistence. An elegant wine of depth, complexity and finesse".

Keppell Smith

"Here is the art of winemaker laid bare, in all of its beauty as well as mystery. It's a slow reveal, all the better to take in a wine both plush in fruit and fine in structure, citrusy fresh and oak defined, savoury influenced and varietally pure. Complex, tangy fresh aromas arrive Beechworth-bright before leading into a tightly packed, concentrated palate of lemon citrus, grapefruit, stone fruits and toasted almonds creamily textured with honeysuckle aromatics. A suitable ending with saline cut and grip on the long finish". 97 points Halliday Wine Companion.

'23 Eastern Peak 'Intrinsic' Pinot Noir ✧

Coghills Creek, VIC

130

Intrinsic Pinot Noir, the pulse of Eastern Peak! It's a single vineyard wine produce year on year. All original MV6 clone grown on well looked after Volcanic grey loam soils over weathered basalt sitting at 430m alt, thoughtfully farmed with strict organic practices & a mix of regenerative agriculture inputs such as rotating cover crops to help with keeping our soils in such pristine condition, flowering was very good considering how extreme the weather was during season 2023.

Blocks harvested from the 7th - 13rd of April, all destemmed into 3000L concrete fermenters, spontaneous fermentation via indigenous yeasts, pump overs once a day, vats are all basket pressed individually, blocks kept separate & transferred into 228L barriques of various French coopers (30% new), topped monthly, sulphur added post malo in November, racked from barrels in late march 2024 to stainless tank where its left to enjoy another full winter to gain complexity & naturally settle prior to bottling, no fining or filtering.

This wine is drinking exceptionally well right now

'22 Yarra Yering Underhill Shiraz

Yarra Valley, VIC

190

Dark fruits; brooding and mysterious. Cool-climate Shiraz, deliciously medium-bodied. Think charcuterie, graphite, and aniseed spice. Blue and black plums add fruit concentration, layered with liquorice spice, cured meat, and a smoky-char whisper. Medium-weighted, driven by fruit purity, with oak as a faint seasoning alongside subtle stalk grip.

"From a shiraz vineyard planted in 1973 adjacent to Yarra Yering. A vivid crimson purple colour, a mix of whole-bunch and berry fermentation and maturation in large format French oak. This is a glorious shiraz, bursting with life and what will surely be a 40-year life span, so perfectly framed and balanced are its black cherry and blackberry fruit duo, tannins obediently bending the knee to the fruit". 98 points Halliday Wine Companion.

INTERSTATE

'17 Brash Higgins 'BLOOM'

McLaren Vale, SA

150

The 2017 BLOOM is a slowly aged Chardonnay made in a style inspired by the "sous voile", or "under-the-veil", oxidative methods found in France's Jura and Burgundy region. Chardonnay from the sandy Blewitt Springs sub-region has been matured for seven years in selected white Burgundy barrels (7), periodically adding some fresh white wine to feed the 'flor' (flower) or (veil) growing as a natural, healthy protective barrier of yeast on the wine's surface. No topping was done during this final ageing period. The wine is aged in a steel tank for an additional 6 months in a cold cellar before bottling in winter.

'22 Ochota Barrels 'Where's the Pope?' Syrah

McLaren Vale, SA

80

Clove and spiced blood orange basted in the elaborate flavours rustic bouillon. There is an ebb and flow of white sage, peppercorn and bay leaf, but ultimately this potion is awash with lashings of freshly picked finger staining dewberry, raspberry coulis, black forest cherries and suede. (yes....suede!!). The fruit was hand-picked in early February and fermented entirely native whole-bunch outdoors in half-ton bins. The fruit was left between a 7-10 days with a bit of hang plunging in the latter days. The lots were then basket-pressed to old French barriques with the gross lees. The wine matured for five months then the barrels were gravity fed to tank and left to settle overnight. The wine was bottled without fining or filtration
