THE WINE LIST

Our extensive, primarily Victorian small producer, wine list, is curated with a focus on wines that reflect a sense of place & with producers who, where possible, use minimal intervention, bi-dynamic, sustainable and organic practises.

Alongside some easy drinking wines, we've got some funky & wild wines. Our selection is in constant evolution, experimenting with a variety of styles & winemakers of the more playful to the more classical, forever balancing the 'interesting' with the 'slurpable'.

We are proud to also offer a selection of special release wines and last bottle runs from some incredible winemakers for those looking for a bit 'extra'. You will find these wines at the beginning of our list.

An unashamed emphasis on wines we love to drink ourselves.

MAGNUMS (1.5L)

2023 Scion Durif Rosé Made from early-season, handpicked Durif. Wild fermented. Dry, delicate, savoury	Rutherglen, VIC	120
2017 Campbells Wines 'Bobbie Burns' Shiraz The favourable 2017 growing season produced a Bobbie Burns Shiraz with incredible depth and concentration of fruit flavours. After fermentation on skins for seven to ten days using closed fermenters, the wine was subsequently aged for a period of 18 months in a mixture of new to three-year-old premium French and American barrels. This wine is full bodied with powerful characters of dark berries and ripe plum fruit, beautifully balanced with layers of fine, dry tannin and complementary notes of liquorice, ironstone and spice.	Rutherglen, VIC	150

SPECIAL WINES | LAST BOTTLES

SPARKLING

2020 Bellebonne Vintage Rosé Made from 100% Tasmanian Pinot Noir, this is delicate pink with salmon blush and super fine bubbles. The aromas are a meld of strawberry, marzipan, Turkish delight and buttery pastry. While the flavours are subtle, there is a delicious roundness in the mouth set against a fine tannin finish with the barest touch of bitter orange pith.	Pipers River, TAS	130
--	-------------------	-----

WHITES

2022 BINDI Wines Quartz Chardonnay This classically complex Quartz spent 10 months on yeast lees in French barrels, of which 25% were new, and was bottled in late February. It is layered, poised and vibrant. There are aromas of stone fruits complemented by spice, nuts, wet stones and flowers. The palate is fresh and mouth filling with excellent texture, balance and drive.	Gisborne, VIC	230
2021 A. Rodda 'Triangle Block' Chardonnay Fruit was whole-bunch pressed to oak without clarification or racking for non-temperature-controlled fermentation in one new 500 litre puncheon and one second use 300 litre hogshead. Upon completion of fermentation, the wine was immediately sulphured to preserve freshness and acidity and rested on lees for 12 months. The wine was transferred to older oak for a further 6 months prior to bottling. Quietly powerful aromas of wild flowers, citrus and white nectarine combine with secondary characters of freshly grilled nuts and almond meal. Complex and intense, a creamy, velvety texture is underlined by citrus acidity and gentle spice finishing with a grapefruit pithiness that is intense, precise and long.	Beechworth, VIC	130

REDS

- 2022 BINDI Wines 'Kaye' Pinot Noir** Gisborne, VIC 230
This is a very sentimental wine from the most elevated vineyard, planted in 2001, that pays tribute to Michael's mother, Kaye. The site has a lot of quartz and mudstone, a smattering of volcanic soils that have eroded down from the volcanic plateau above, and produces a wine of fragrance, structure and complexity. The 2022 Kaye is typically fragrant for this site with seductive rose and earth. There are also wild red fruit aromas. The palate is juicy, creamy of fruit, chewy of tannin and mouth filling. The finish is balanced, structured and long.
- 2022 BINDI Wines 'Original Vineyard' Pinot Noir** Gisborne, VIC 230
The 2022 Original Vineyard spent 15 months in French barrels (one third new) and was bottled in mid-July. This wine comes from the 1988 planting. The 2022 is super pure in red cherry, raspberry and ripe strawberry aromas. It is typically floral and gently spicy, a little savoury and very seductive. The palate is fresh, creamy, savoury, has fine tannins driving the supple and smooth fruit and flows beautifully long. It is very delicious.
- 2018 The Pawn Wine Co. 'Pawn Star' Maturana Tinta** Adelaide Hills, SA 130
2018 Pawn Maturana Tinta is the first made in Australia, and possibly the world's first made outside of Rioja. Harvested on the 5th April 2018, handpicked into ½ tonne picking bins. The fruit was naturally fermented in a small open top fermenter, plunged by hand twice a day, for 8 days to extract the right amount of flavour and colour. The wine was placed in a combination of old French and Hungarian oak for a period of 9 months. This wine colour is an incredible velvety magenta purple and shows lifted perfumes of red berries and pepper on the nose. The palate is savoury and textured, framed with balanced natural acidity and tannins, filled with raspberries, violets and spice.
- 2021 Traviarti Nebbiolo** Beechworth, VIC 120
The vines were planted in 2011 so were just 10 years old in the 2021 vintage. 2021 was mild long vintage and result is intensity, power, savoury round tannin that coats the mouth and a line of acidity that teases out the palate.
- 2018 A.Rodda Wines 'Tête de Cuvée' Cabernets** Beechworth, VIC 130
Sourced from the Smith's Vineyard in Beechworth, fruit was selected from the top 10 rows of the North-East facing Cabernet Sauvignon block and the small, low yielding Merlot block. In the best growing seasons, the resulting blend is elevated to the Tête de Cuvée release. Hand-picked fruit was destemmed and crushed prior to fermentation whereby a combination of pump-overs, rack and returns and plunging was utilized for cap management. Post-fermentation, the Cabernet Sauvignon was held on skins for a further 18 days. The wines were pressed to French oak barriques consisting of 50% first use and 50% second use. After 12 months, the wines were racked to old 600 litre thick stave oak casks for a further 8 months prior to bottling. The 2018 Tête de Cuvée consists of Cabernet Sauvignon (74%), Merlot (24%) and Petit Verdot (2%).
- 2021 Joshua Cooper Wines 'Shay's Flat' Cabernet Sauvignon** Pyrenees, VIC 110
The source is the Shay's Flat vineyard in Landsborough in the Pyrenees. It spent 12 months in barrel before a further 4 months in tank to tighten it all up. It's on the darker side of Cabernet, with cassis, chocolate and olive notes and some cedar and spice flowing through the palate, which is fine and detailed and not overbearing at all. A wonderful Cabernet with energy, personality and drive.
- 2021 Joshua Cooper Wines 'Balgownie Old Vines' Cabernet** Bendigo, VIC 170
Deep, dark garnet. A wine which immediately makes one sit up and focus. Incredibly refined and complex with iron, sweet cassis, cedar spice, violet and rose, air reveals infinite nuance and detail. The palate is flooded with wave upon wave of Cabernet fruit, braced by a strict but not overbearing tannic structure, finishing with sweet violet and cassis.
- 2017 BINDI Wines 'DHILLON' Col Mountain Shiraz** Heathcote, VIC 165
The 2017 Col Mountain is based on the smooth and aromatic Shiraz clones PT23 and 1654 with a little of the robust and rich Yalumba and R6WW28. The Col Mountain wines, from deep red soil with a significant amount of shattered rock, are earthier and more structured than our traditional more northern source of Shiraz, Colbinabbin Estate, which has previously made up all, and now roughly 50%, of the Pyrette label. This fruit and earth wine is medium weight, spicy and has black cherry and plum aromas. It has lovely intensity through the mid and back palate. It is not heavy in any way, but rather smooth and intense, gently chewy and long.

PÉTILLANT NATUREL (PÉT-NAT)

2021 Eminence Wines Pinot Munier Pét-Nat Soft red flavours with a bit of funk & creaminess. Fruity + savoury all at once.	Whitlands, VIC	60
